

For 2011, the Lone Pine Committee celebrates our 41st Anniversary - 41 years of flat-out-fun! You'll get a big course that's over 2 miles long, run one way on Saturday and the other on Sunday. This course will provide a challenge for all, whether in modified, prepared, street prepared, stock or vintage. Don't be left to hear the stories from all your friends of a great weekend - Be There! Check out an almost 3 minute run at: http://www.youtube.com/watch?v=aYzqu\_SkuKw

## **LOCATION**

The Manzanar Airstrip: Located 10 miles north of the city of Lone Pine at the Manzanar Reward street sign (on the right, may be hard to see at night), go 1/4 mile east of US 395 and you're there.

## **ELIGIBILITY**

MUST BE 18 years of age and hold a valid driver's license. No memberships required. Due to the high speed nature of this event, it is recommended for experienced competitors.

## SAFETY

COMMON SENSE! - MUST WEAR SEAT BELTS AND HELMET (some loaners available). **Helmets must be SNELL 95 or newer.** No DOT helmets. NO alcoholic beverages or other intoxicants may be used by drivers, crew or spectators during each day's event; after the course is closed - have a BLAST! Please observe a 5 mph speed limit in pits.

## CAR PREPARATION / CLASSIFICATION

SOLO, Club Racing, SCCA, IMSA, VINTAGE, NASA, the family sled, or whatever. We will find a class for you. 5 or more pre-registered drivers who want to run their own class may do so (commonly known as rent-a-racer). OPEN EXHAUST if your class allows it. Basic car classification will be per the 2011 SCCA National Solo rule book. Still not sure what class? - provide details on how your car is prepared on the entry form (engine, suspension, tires & wheels, etc.) and we'll find a place for you. Unsafe vehicles will be turned away. This is not an autocross event, this is a high speed time trial.
